Good Morning (Recipient First Name),

Thank you for taking the time to come and see the completed Mount Whitsunday Estate. We appreciated everyone's feedback.

As you would imagine Lot 3 has had a lot of interest over the Christmas break, at this stage we have a couple of interested parties however no contracts have been issued as yet. Even in the current market 63 acres in the heart of Airlie for only \$1.55M is going to be a great purchase.

We have had some professional photography done for most of the lots so if you have any interested people out of town let me know so I can email you the images.

I have also included a link so you can download the current price list and lot plan to assist you with any enquiries that you may have, just click on the link below.
